

R-AID Trolley PRO

Multipurpose backpack with trolley

Emergency trolley extremely versatile and robust, usable also as a backpack. 4 coaxial wheels ensure high load resistance while dragging the trolley on the ground.

Specific Characteristics

Excellent portability thanks to the trolley system, 2 handles and shoulder strap

1 main padded compartment, equipped with straps to fix a bottle (max 2l) and removable internal dividers that allow to split the compartment up to 9 parts

1 transparent pocket with zip closure on the internal side of the closure flap of the main compartment

2 Transparent pockets with zip closure of which:

- 1 equipped with internal pocket with zip closure
- 1 equipped with *transparent detachable bag* with zip closure, fixed by means of straps

1 Front transparent pocket with strap closure

1 Front pocket with zip closure

1 top pocket with zip closure and carrying handle

Padded shoulder straps and lumbar belt with quick release buckle improve load distribution

Reflective inserts for increased visibility

Reinforced bottom

Accessories

M-Series internal bags with strap fixing
