

CROSS

10G Self loading stretcher

Spencer Cross is a self-loading stretcher with adjustable heights for patient transport. It is a compact and light stretcher, usable in rescue operations on streets and rescue vehicles. The legs fold away independently, activating the dedicated commands during the unloading procedure, they open automatically. The loading carriage can be folded to make movement in confined spaces easier. 10G certified when used with the fixing system Spencer R-Max or S-Max.
