

NXT MAX WALL

10g wall fastener

For NXT lung ventilators

10g wall fastener for use with Spencer NXT lung ventilators

Specific features

Its shape is designed to allow easy and quick placing of the lung ventilator on the fastener

Thanks to the perfect integration between the fastener and the lung ventilator, the overall dimensions remain almost the same as those of the lung ventilator alone, increasing its height by only a couple of centimeters

Easy to install inside the emergency vehicle, is fastened using the back side, ideal solution for space optimization

Compatible with 118NXT, 170NXT, 190NXT lung ventilators
