

TRACK 5

Telescopic IV pole for Carrera

Track V is an IV pole for Spencer Carrera stretcher, intended to maintain the prevalence necessary in order to guarantee the continuity of the infusion operations also during the transport with the stretcher.

Specific features

- Simple to install
- Rugged and lightweight design
- It guarantees compact size through the ability to be folded up.
- The locking rings allow a quick and effective adjustment
- It can support two bags up to 1,5 kg
- Bands with locking straps to prevent the fluctuations of the bags during the transport.
- Aluminum support hooks for maximum strength
