

D-Guedel

Oropharyngeal cannula

Combining two materials with very different physical characteristics into one moulding, The One-Piece design eliminates the separate bite block found in all conventional Guedel airways. As well as improved safety, the One-piece also incorporates a soft tip reducing the risk of trauma to the patient.

Technical data	
ISO Size	12
Length	120 mm
Colour	Purple

Class I Med.Device according to Reg. 2017/745/UE
D-CANNULA GUEDEL ISO
12/SIZE5
RM10508
