

## SKID-OK B

### Ultralight evacuation chair

SKID-OK is an evacuation chair ideal for transfers on descending stairs thanks to the handle on the rear side and slide system with belts. The four wheels also allow the transport on the plane surface.

#### Specific characteristics

PVC sheet easily cleanable equipped with quick release buckles to adjust the tension
Footrest
Front wheels pivoting with brake
Back wheels of large diameter to increase the sliding
Mobile headrest sheet to adapt to the patient's height
Reduced dimension for storage
Armrests to increase the patient comfort
