

510 SELF

Self loading trolley

510 Self is a self loading trolley to be used with stretcher Spencer 506 for rescue operation on streets and rescue vehicles. The legs fold away independently, activating the dedicated commands during the unloading procedure, they open automatically.

Specific features

- The coupling with the stretcher is simple and intuitive
- Color coded commands
- 2 fixed wheels and 2 pivoting with large diameter to make movement easier
- Brakes on rear wheels
- Locking system for legs in closed position. This system allows to lift and move the trolley and stretcher assembly.
