

QMX777

Anatomic mattress

Mattress to be used with stretchers in order to increase patient comfort by absorbing vibrations and stresses that may occur during transfer procedures.

Specific features

- Smooth and easy to clean surface
- Tape with strap elements, used to fix the mattress to the stretcher board
- The shape, the internal divisions and the filling material, allow excellent adaptation to the patient's body
- Compatible with boards type S and T

Accessories

- DR60851K DRX 850 BOX 100 PCS - TNT SHEET
